A HINDU WIZARD.

His Trick That Puzzled an Occidental Master of Magic.

Some of the tricks of the Hindu wizards are past understanding, according to an occidental master of magic who was speaking of his oriental rivals. This is what he says he saw a Hindu wizard do in a club in

"He took a board and placed it on four glass goblets, thus elevating it from the floor. A youngster sit !the board was requested to ph hands together, palms up. Then the juggler took a glass of water and poured it into the outstretched hands of the boy. In the meantime the boy had been mesmerized, and his attention was fixed on a point indicated by the magician. Gradually the water turned green in color and then developel into a jelly which increased in density until it became as solid as a stone. Out of the center of this appeared the head of a snake, which gradually developed until in the place you, but the trick was not yet completed. Hitting the reptile upon the head with his wand, the juggler took it up carefully and placed it back in the glass. As we looked it became transformed into a jelly, which in turn melted into a greenish colored water. Clearer and clearer became the fluid until it was of its original color, and to me today as it was then."

Strong Healthy Women

If a woman is strong and healthy in a womanly way, motherhood means to her but little suffering. The trouble lies in the fact that the many women suffer from weakness and disease of the distinctly feminine organism and are unfitted for motherhood. This can be remedied.

Dr. Pierce's Favorite Prescription

Cures the weaknesses and disorders of women. It acts directly on the delicate and important organs concerned in motherhood, making them healthy, strong, vigorous, virile and elastic.

'Favorite Prescription' banishes the indispositions of the period of expectancy and makes baby's advent easy and almost painless. It quickens and vitalizes the feminine organs, and insures a healthy and robust baby. Thousands

testified to its marvelous merits.

It Makes Weak Women Strong. It Makes Sick Women Well. Honest druggists do not offer substitutes, and urge them upon you as "just as good." Accept no secret nostrum in place of this non-secret remedy. It contains not a drop of alcohol and not a grain of habit-forming or injurious drugs. Is a pure glyceric extract of healing, native American roots.

STAUNTON, VA.

Begins its 39th Session, Thursday, September 1, 1910

This school is noted for its thorough training of young men and romen for making their future lives more profitable and independent. Its graduates are found in almost every town and city of the United States. They are holding positions in all of the Banks of Staunton, from Exchange Clerk to President.

The Dynmore school has an enviable reputation for the thoroughness of its pethods of teaching and preparation for high-salaried clerical work. Send for free catalogue at once.
